

# Friends of Princes Park Eastbourne.

**Newsletter Summer/Autumn2007**

## What a Fun Day!

Our second Fun Day was held on Saturday, 26th August, under glorious sunshine. Many thanks to all the committee, members and volunteers who turned out to help and support the event.

The good weather this year meant that we were very busy - the local paper estimated around 2000 people came along, which is fantastic! The event was opened by the Mayor of Eastbourne, Sovereign Radio reported live from the arena and many other local groups were involved. Eastbourne Live Television took some video footage, which can be viewed here:

<http://www.eastbournelive.org.uk/4.html>

Where there are video clips from this and other local events. (Broadband connection and Windows Media Player required)

And just in case you'd forgotten, here is the Friends website address:

### A big 'Thank-you'

With the accounts almost finalised, we can report that the profit from the Fun Day was about £1300.00 A final balance sheet will be available to all members at the AGM on 7th November (a separate notice has gone out about this). This is a great boost for our funds, which will be used to benefit the park over the next year. Our aim has been to buy new benches to fill some of the gaps, but if you think there are other needs as well, please come along to the AGM and tell us. We only want to spend your money, on your park, on the things that you want.

**Future Events:** We'll be discussing future events and asking for your ideas, at the AGM. Although the AGM will be at St. Andrew's Church Hall, future Friends of Princes Park events will be held at the Eastbourne United Association F C clubhouse, in the Oval. This is a nice venue, with all sorts of possibilities and we have been made very welcome there over the past few months

The football club is an integral part of the park and an asset that we need to keep. Social membership is extremely reasonable and you don't have to play football if you don't want to!
